JHSF

LOCATION

Built in an area of 5.2 million square meters, the São Paulo Catarina Executive International Airport is located in the Presidente Castello Branco Highway at kilometer 62, with easy access to the capital main business centers. It was developed by JHSF, together with renowned national and international architects and landscapers, following in its Master Plan, the most modern sustainable concepts projects in the world.

LARGEST RUNWAY AMONG EXECUTIVE AIRPORTS, AUTHORIZED FOR INTERNATIONAL FLIGHTS

With 2,470 meters, the runway at São Paulo Catarina Executive International Airport operates 24 hours a day for Domestic Flights. For International Flights Monday to Friday from 6:00am to 10:00pm. Saturday, Sunday and Holidays from 6:00am to 11:00am and from 5:00pm to 10:00pm (local time | GMT -3) with the capacity to receive 200,000 takeoffs and landings per year.

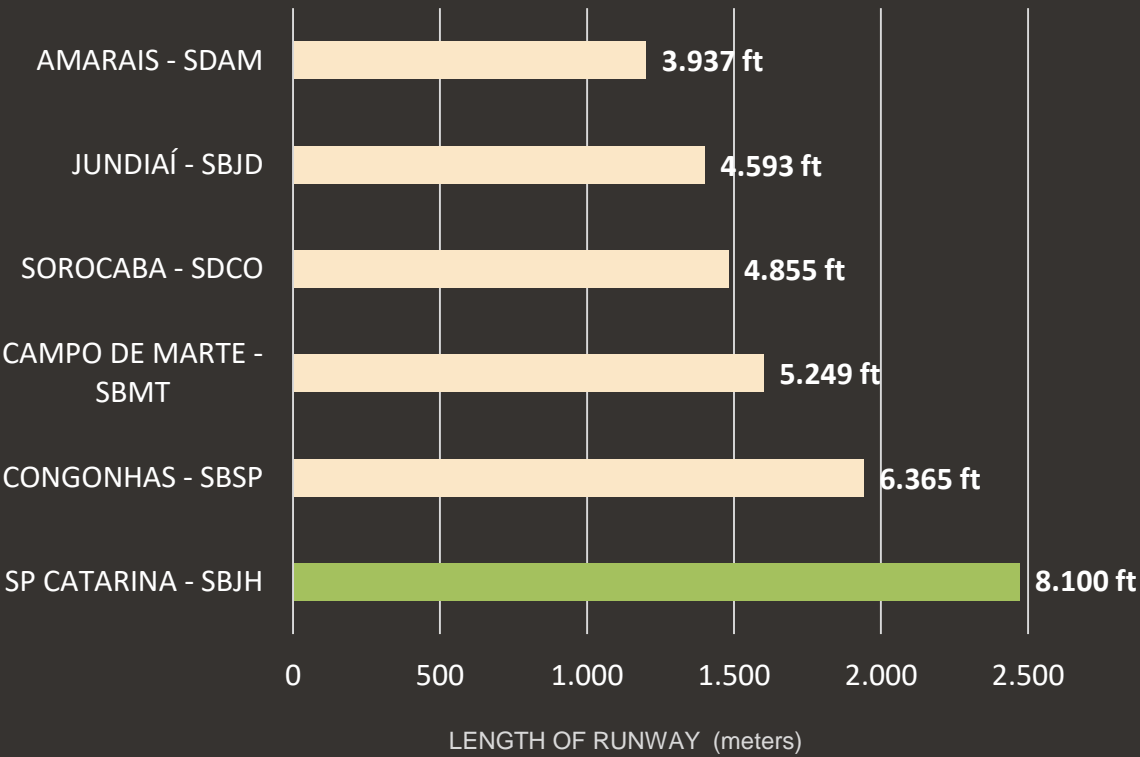

WITH FLYING STANDARDS
OF THE MOST ADVANCED IN
THE WORLD.

It is the first airport in Brazil that combines all the technical characteristics and high-quality standards of the best executive airports in the world, such as Farnborough, Le Bourget and Teterboro.

THE HIGHEST SECURITY
AND OPERATION LEVELS

Runway length comparison in the São Paulo region
